A brand new tour joins Cook's ranks this year . . . a tour to Jasper National Park and the magnificent Columbia Icefield in Canada's lofty Rockies. This relatively untouched area contains many of the highest peaks and the loveliest lakes of the North American continent, and the most extensive glacial system on our side of the Arctic Circle. These are the highlights, but you'll see so much more . . . Yellowstone and Glacier Parks in the United States, Waterton Lakes and Banff and Lake Louise in Canada. In the five National Parks on your route you'll find everything you could desire in scenic beauty.

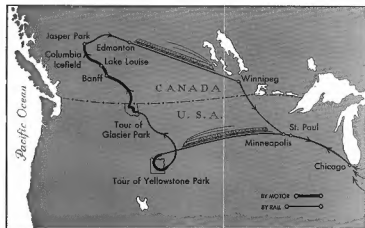

You'll travel to and from the West in air-conditioned Pullmans . . . and see the sights in comfortable motor coaches. A small group of pleasant companions will accompany you, friends with whom you can share each thrilling experience. No need to worry about details of reservations or baggage, either, because Cook's competent Tour Escort looks after everything . . . you just sit back and enjoy the scenery. You can plan to leave Chicago any Saturday from June 16 to August 18 . . . ten departures to choose from, and every one guaranteed to give you a perfect vacation.

Here's What You'll See and Do

- See the strange and wonderful sights of Yellowstone Park . . . Old Faithful and the other geysers, the spectacular Grand Canyon and Lower Falls of the Yellowstone River, the colored terraces at Mammoth Hot Springs, and so many more.
- Admire the rugged snowcapped peaks of Glacier and Waterton Lakes Parks . . . with a trip over magnificent "Going-to-the-Sun" Highway, affording unexcelled panoramas.
- Visit Banff and Lake Louise, high in the Canadian Rockies . . . the valley of the Bow River, beautiful lakes and waterfalls and majestic snow-capped peaks . . . the heart of Canada's vacationland.
- Travel the Banff-Jasper Highway to the huge Columbia Icefield . . . a vast area of sparkling glaciers moving slowly toward the sea . . . and you'll have luncheon in full view of this breath-taking spectacle.
- Spend two delightful days in Jasper Park in Canada's northland . . . visiting Maligne Canyon and several of the Moe lakes for which the park is famous.
- Taken all together, you'll see many of our loveliest National Parks and some of the finest alpine scenery found anywhere in the world . . . an unending array of snow-covered giants, lakes, untouched forests and flower-dotted slopes.
